

Jokioinen Gym rulebook

1. The gyms electronic card IS A PERSONAL DEVICE. When asked, the user must prove their identity when claiming the card (the minimum age limit from the rulebook) and when buying for another person, you must be able to verify that person's age and place of residence.
2. The gyms minimum age limit is 14 years.
3. Mishandling the card or the gym and its devices will result in shutting down the card. Given the card up to someone else or letting in someone without permission will be penalized by shortening the usage of time on the card.
4. The user will be charged a 10 € payment fee for the card. The fee will not be returned to the customer.
5. The gyms payment plans:
1-5 months; 15 € a month (30 € a month for noncitizens) **10 € a month for the citizens of Jokioinen by ages of 65 and over.**
6-month plan = 70 € (noncitizens 120 €), **50 € for the citizens of Jokioinen by ages of 65 and over.**
12-month plan = 120 € (noncitizens 170 €) **90 € for the citizens of Jokioinen by ages of 65 and over.** For payment, we accept cash, bank card, Smartum or Epassi.
6. Card activation happens at the library during its business hours (Mondays, Tuesdays, and Thursdays at 11:00 – 19:00, Wednesdays and Fridays at 11:00 – 17:00, On an eve of a weekday holiday at 11:00 – 16:00). The card holder must be committed to obey the gyms rules when retrieving the card.
7. The runtime begins when retrieving the card and is valid through its paid run regardless of its usage. If the runtime is suspended (for example, due to an illness or moving away), you will not be compensated for the remaining time that was left.
8. When the runtime expires, the card will not be able to open the door anymore. This means that the user must buy more time if they want to continue using the gyms services. There is a card device downstairs in the gym where you can find out about its expiration date.
9. The gym is open on weekdays 7:00 – 21:30 and on weekends 8:30 – 21:30.
Obey these business hours as the alarms will go off after the business hours end!!
10. Use the devices as instructed. It is recommended to use locks when training with barbells.
11. Empty the bars and devices off the plate weight after training and put them back to where they belong. This way we can prevent for example the bars from getting crooked.
12. Use appropriate wear during training. Outdoor shoes must be left in the hallway.
13. Valuables (such as wallet, phone, keys) can be stored at a storage locker. Remember to return the locker key back in its place when finished training.
14. Everyone is responsible to report if they detect mishandling of the gym or/and its devices, mischievousness, devices breaking or the premises breaking. Any damages done on purpose and the perpetrator will be responsible to pay for the damages done. A report can be done at the leisure time office which is located in the municipal office.
15. Train at your own responsibility. Remember to acknowledge other users that train there as well.
16. Last one to leave turns off the lights and closes the doors. Keep the place clean.
17. **Every user must sign their comings on the outdoor reader device to keep the users in check!**
